Luksha, P & Petrov, A: Hierarchy of needs and dynamics of consumer behaviour
Mrazova, M: Veblen's concept of cultural consumption habits. Explanatory power in transformation countries
Session 2D, Economics & intellectual imperialism I
CHAIR: Uskali Mäki
Mäki, U: Progress by conquest? On the nature and justification of economics imperialism
Marchionni, C & Mäki, U: A driving methodological ideal of geographical economics. Explanatory unification
Lehtinen, A & Kuorikoski, J: Economics imperialism and solution concepts in political science
Sappinen, J: Economics imperialism and the study of business organizations

Session 2E, Governance I
CHAIR: Ciaran Driver
Krafft, J & Ravix, JL: Corporate governance and the governance of knowledge
Özçelik, E: Questioning ‘governance.’ Reconstructing ‘embeddedness’ or building ‘fictitious’ institutions?

Session 2F, Innovation
CHAIR: Paulo Saviotti (tbc)
Breukel, AWV: Reaping the advantages of organizational innovation. A case study towards the possibilities and obstructions for adaptation
Dolfsma, W; Towards a dynamic (Schumpeterian) welfare economics
Nooteboom, B: Generalization, differentiation, reciprocation and novel combinations. A further specification, innovation
Niosi, J: National and regional systems of innovation as complex evolutionary systems

Session 2G, Technology & waves of economic development
CHAIR: Andreas Pyka
Larudee, M: The feedback loop of power and wealth. What are the dynamics?
Gaffard, J-L & Quéré, M: Innovation process and economic growth. Why and how institutions matter
Stassinopoulos, Y: Schumpeter on political power and economic action

Friday 29th October: 14.30-16.30

Session 3A, Finance & growth
CHAIR: Pascal Petit
Burlamaqui, L & Kregel, J: Competition, capabilities and innovation, in finance. Implications for stability and development
Clévenot, M & Mazier, J: Investment and rate of profit in a financial context. A post-Keynesian approach
Couharde, C, Mazier, J, & Serranito, F: Financial-led growth regimes. What does business investment behaviour analysis show on the long run?

Session 3B, History, identity & collective memory
CHAIR: Wilfred Dolfsma
Dannreuther, C: How a nation of shopkeepers learnt to live without a small business sector
Kessler, O: Risk as collective memory and the Gold Standard

Session 3C, Economics, history & development I
CHAIR: Ioanna Pepelasis Minoglou
Kostis, K (invited speaker): Twentieth century Greek economic history. State of the art and new directions
Alierta, M: Wages in history, theory and development
Castañeda, G: The firm’s legal regime of governance as an outcome of social embeddedness. The parochialism of entrepreneurs in Puebla, México by the turn of the XX Century

Session 3D, Economics & intellectual imperialism II
CHAIR: Uskali Mäki
Bikman, D & Rodríguez-Boetsch, L: Social Capital Theory. The Frontier of Economic Intellectual Imperialism
Gassler, RS: Political and social economics. Beyond orthodoxy and heterodoxy
Rock, C: The empires strike back (and back). Economic thoughts in modern populist sociobiology

Session 3E, Governance II
CHAIR: Andrew Tylecote
Schuberth, H: Knightian uncertainty, agency independence and economic policy rules
Thomson, G & Driver, C: A democratic and ethical corporate citizenship?

Session 3F, Empirical institutional analyses
CHAIR: Alla Sheptun (tbc)
Croci Angelini, E & Farina, F: Redistribution and labour market institutions in OECD countries
González de Lara, Y: The State as an enforcer in early Venetian trade. A historical institutional analysis
Mahera, A: Political economy as science or art? A French debate on the introduction of the course of political economy in faculties of law in the late 19th Century

Session 3G, Networks, economy & society
CHAIR: Kurt Dopfer
Dachs, B, Ebersberger, B, & Pyka, A: Access to external knowledge sources and the role of informal networks
Finch, J: Three narratives on industrial markets as networks and as social systems
Fusari, A: The role and meaning of the market. Past, present and future
Leoncini, R & Montresor, S: On the nature of dynamic capabilities. Clusters of organizations or organizational clusters?

Friday 29th October: 16.45-18.45

Session 4A, Changing institutions & performance I
CHAIR: Mikhail Sinyutin TBC
Lissowska, M: Institutions launched in transition and their multiform impact on performance. The case of competitive and co-operative efficiency of the Polish system
Tridico, P: Institutional change and governance indexes in transition economies. The case of Poland

Session 4B, Monetary economics & finance
CHAIR: Penny Hawkins
Argitis, G: Rethinking Marx’s monetary theory of economic crisis
Alper, CE & Onis, Z: The Turkish banking system, financial crises and the IMF in the age of capital account liberalization
Mohun, S: The US profit share 1964-2001
Session 4C, Economics, history & development II  
CHAIR: Mariano Alierta  
Delamonica, E: Using evolutionary, structualist and post-Keynesian analyses in economic history. An application to Argentina in the XXth Century  
Dow, A: History in specific economic approaches. A comparison of Scottish political economy and the staples approach  
Jacquinet, M: Institutional and technological transformations of the Port wine (1700-1950). A legal and economic nexus

Session 4D, Empirical analyses of economic development  
CHAIR: Michael Intriligator  
Collantes, F: Quite visible hands. A Veblenian approach to regional disparities in Spanish industrialization (1700-1950)  
Hardy, J, Zhen, Y & Currie, F: The institutional underpinnings of cumulative causation. A comparison of the Wroclaw (Poland) and Xiamen (China) regions  
Lo, Dic: China, the 'East Asian model' and late development

Session 4E, Individuals, society & policy  
CHAIR: Gráinne Collins  
Davis, JB & McMaster, R: The individual in mainstream health economics. A case of persona non-grata?  
Lopes, H & Rodrigues, J: From the kindergarten to the backyard. The perversity of incentives and its implications for public policy  
Odebode, S & van Staveren, I: An empirical test of the household bargaining model with data from Ibadan, Nigeria

Session 4F, History of economic thought I  
CHAIR: Alistair Dow  
Ananyin, O: Between science and history. Reassessing grand theories in economics  
Dyer, AW: A new 'old' institutionalist economics. The political economy of the ordinary

Friday 29th October: 18.45 - 19.45: RAC MEETING

Saturday 30th October: 8.45 - 10.45

Session 5A, Changing institutions & performance II  
CHAIR: Maria Lissowska  
Egorov, I: Trajectories of economic development and structural changes in Western Post-Soviet states  
Samson, I, Ternaux, P & Papajak, J-P: Tracking institutional trajectories. The case of labour markets in Russia  
Tchipev, P: Moulding corporate boards. A key challenge of Bulgarian corporate governance?

Session 5B, Liberalization policies  
CHAIR: Wolfram Elsner  
Krajewska, A: Tax systems in Poland, transition economies and the EU countries, and economic competitiveness  
Schramm, M & Taube, M: On the role of public and private sector entrepreneurship for institutional change

Session 5C, Economics, history & development III
Session 5D, Theoretical approaches to economic development
CHAIR: Francisco Louca
Acha, V & Cusmano, L: Systems into systems run. Complexity and evolutionary approaches to development
Milonakis, D: Economic history and development. Fellow travellers?

Session 5E, Theories of individuals & society
CHAIR: Diane Perrons
Hermann, A: Institutional economics and psychoanalysis. How can they collaborate for a better understanding of individual-society dynamics?
Khalil, EL: Why are social norms dispensable in modeling shame and other behavioral anomalies?
Niederle, U-M: Preferences and their impact on technological innovation and institutional change

Session 5F, History of economic thought II
CHAIR: Robert McMaster
Bertrand, E: About a new assumption in Coase’s 1960 article. The ‘Coase Theorem’ needs an institution
Lopes, H: From self-interest back to moral sentiments
Warnecke, TL: The evolutionary nature of feminist economics

Session 5G, Routines
CHAIR: Bart Nooteboom
Diani, M: Are routines economic replicators? Exploring the missing link in the evolutionary theory of the firm

Session 5H, The co-evolution of law & economics I
CHAIR: Aristides Hatzis
Zerbe, RO: Opening Lecture, Justice and efficiency in the evolution of the common law
Hatzis, A: Civil law & economic reasoning. The case of contract law
Mattiacci, GD & Deffains, B: Incompleteness of law
Ammannati, L: Choosing the law. Against ‘legal Jacobinism’

Saturday 30th October: 11.00-13.00

Session 6B, Poverty reduction & welfare
CHAIR: Paulo Ramazzotti
Gajewski, G, Benjamin, J & Luppino, M: Estimating the poverty-reduction potential of roads projects in regions experiencing institutional instability due to conflict and post-conflict conditions
Uranga, MG, Luz de la Cal, M & Otazua, G: Poverty as a result of institutional change

**Session 6C, Institutional history of economics: Schumpeter**
CHAIR: Albert Jolink
Avtonomov, V: Timing of translation as a relevant factor. Reception of Schumpeter' economic development theory in Russia
Guy, F: Power-biased technological change. Technology, and the fall and rise of earnings inequality

**Session 6D, Entrepreneurship**
CHAIR: Stavros Ioannides
Menudo, JM: Entrepreneurial activity and human cognition
Saviotti, PP & Pyka, A: Creativity and efficiency in economic development. Employment and policy implications

**Session 6E, Comparative industrial dynamics**
CHAIR: Virginia Acha
Bellone, F, Musso, P & Quéré, M: Testing for the shadow of death effect. Insights from French manufacturing firms over the last decade
Eparvier, P: The emergence of industrial and technological evolutionism. Are the new tendencies compatible with the original research program?
Groenewegen, J & Künneke, R: An evolutionary perspective on infrastructure reform
Krafft, J: Knowledge intensive life cycles. The case of telecommunications
Olsson, M, Lönnborg, M & Rafferty, M: Towards a (post-transition) political economy of Central and Eastern Europe. The case of financial services

**Session 6F, Theories of institutions I**
CHAIR: Klaus Nielsen
Hodgson, GM: Types of institution. From orders to organizations
Papadopoulos, G: A conceptual analysis of money and monetary institutions

**Session 6G, Money and its institutional framework**
CHAIR: Peter Howells
Hawkins, P: Balancing stability and provision. Addressing financial exclusion in South Africa
Howells, P: Consumer credit and the demand for endogenous money
Rochon, J-L & Rossi, S: Endogenous money. The evolutionary versus ontological views

**Session 6H, The co-evolution of law & economics II**
CHAIR: Bruno Deffains
Nicita, A & Rizzoli, M: Incomplete rights and the evolutionary complementarity between property rule and liability rule
Porrini, D: Informational efficiency and the evolution of environmental policies choice
Chapman, B: The evolution of reasonable cooperation under law
Parisi F & von Wangenheim, G: Legislation and countervailing effects from social norms

Saturday 30th October: 14.30-16.30

**Session 7A, Long waves**
Session 7B, Industrial regulation policies
CHAIR: Paulo Ramazzotti
Groenewegen, J & de Jong, M: Governance of network industries
Niesten, E: An institutional structure of regulation
Krajewski, S & Działo, J: Microeconomic effectiveness of privatised and private enterprises in Poland in the years 1991-2002

Session 7C, Institutional history of economics: Varied views
CHAIR: John Davis
Lainé, J & Leloup, S: Bentham and the representative democracy. Sympathy, antipathy and utility
Lee, FS: Ranking heterodox economic journals and departments. Suggested methodologies
Taddei, J: The evolution of the old institutionalist thought until now and its actual consequences on understanding technological and institutional dynamics

Session 7D, Environmental analysis & economic development
CHAIR: John Toye (tbc)
Adaman, F, & Arsel, M: Environmentalism in Turkey. Between democracy and development?
Dulbecco, P, & Yelkouni, M: Sustainable development and institutional change. Evidence from the Forest of Tiogo in Burkina Faso
Jaeck, L: Toward an evolutionary perspective on environmental policy. The precautionary principle versus the evolution of the rules of law
Rammel, C, Stagle, S & Wilfing, H: Managing evolving complex systems. A coevolutionary perspective on natural resource management
Vlachou, A: Sustainable development. A critical perspective

Session 7F, Theories of institutions II
CHAIR: Francesca Bettio
Cameron, J & Ndhlouvu, T: The institutional economics of excess. The fallacy that specialisation is good for a society
Goldschmidt, N & Remmele, B: Anthropology as the basic science of economic theory. Towards a cultural theory of economics
Nielsen, K: Can Pinocchio break free? Culture versus calculus in institutionalisms and other heterodoxies

Session 7G, Money, history & policy
CHAIR: Peter Howells
Barata, JM & Pacheco, LM: Asset prices and monetary policy in the euro area. An historical perspective within a tentative model
Michael, A: Why being consistent is not always the best policy
Peaucelle, I: Dynamic analysis of bankruptcy and of economic waves
Provenzano: Local authorities and capital markets. Institutional change and economic development in Italy

Session 7H, The co-evolution of law & economics III
CHAIR: Antonio Nicita
D'Antoni, M & Galbiati, R: The co-evolution of enforcement and sanctions. The case of driving offences
Yvrande-Billon, A: Can formal rules and discretionary decisions coexist? Lessons from the French public urban transport sector
Jacquinet, M: Is there a place for evolutionary law and economics. The case of regulatory path dependence of specific economic sectors?
Dupeuble, T: Institutional change and intermediate cognitive resources. The case of French agricultural policy
Castaldo, A & Nizi, G: The evolution of corporate vs. individual criminal liability: a look into recent reforms in Italy

Saturday 30th October: 16.45-18.30

"Quod errat demonstrandum - statistics and geometry in the economic analysis of long fluctuations"

Plenary speaker: Patrick O'Brien, Centennial Professor of Economic History, London School of Economics
"The Divergence Debate: Europe and China in the Era of Mercantilism and Industrial Revolution 1368 - 1846"

Saturday 30th October: 18.30-19.30: MEMBERSHIP MEETING

Saturday 30th October: 21.30 : GALA DINNER

SUNDAY 31st October: 9.00 - 14.00: Visit to Knossos and Heraclion Museum
